Ken Lopez, seconded by Mike Clark, moved to approve the January 24, 2019 minutes of the Joint Review Board. The motion was approved unanimously.

VI. ANNUAL REVIEW OF PERFORMANCE

Reid Ottesen explained that all taxing bodies are required to meet once a year to discuss the status of the Village's TIF districts. He then indicated that he would review the projected surplus to be declared from the Dundee Road TIF and Rand/Dundee TIF and the upcoming expiration of these two TIF districts following an overview of development activity within the Village's TIF Districts over the past year.

- A. DUNDEE ROAD TIF DISTRICT
- B. RAND/DUNDEE TIF DISTRICT
- C. RAND ROAD CORRIDOR TIF DISTRICT
- D. DOWNTOWN AREA TIF DISTRICT
- E. RAND/LAKE COOK TIF DISRICT

Mike Jacobs noted that, as all of the taxing districts were previously notified, the Dundee Road TIF District will expire at the end of 2019. He then provided a brief overview of the development activity that occurred last year, is currently underway, and is anticipated in the coming year. The projects highlighted included the Napleton Mazda & Subaru project that is nearing completion on the former Menards/Knupper site, the Spruce Village supportive housing project behind Firestone/Tore & Luke's, the commercial redevelopment project underway east of Panera/Verizon, including Aspen Dental, Cousins Subs, and Palatine Bank & Trust, the concepts being considered by the new owner of Park Place Center, and the Dundee Road improvements that IDOT is looking to construct in 2020.

In addition, Mr. Jacobs reviewed the RFP process that was completed for the Village owned properties between Towne Square Park and the railroad tracks and the associated consideration of an extension of the Downtown TIF District. Mr. Ottesen then provided a preliminary list of the remaining infrastructure or municipal projects the Village would still like to complete within the downtown area and the Village's desire to pursue an extension of the TIF District to generate the funding necessary to complete the projects. Mr. Ottesen noted that consideration could be given to agree up front on either ending an extension early or to declare an ongoing surplus, based on a set percentage or amount, once the desired Village projects and associated funding are achieved. Mr. Ottesen noted a separate Joint Review Board meeting would be planned to specifically discuss a potential extension, but wanted to provide each taxing body a chance to discuss the issue today, seek feedback from their respective organizations, and then further discuss at a later date.

Paul Mehring distributed a summary chart that outlined the projected surplus distribution by agency. There was some additional discussion regarding past surplus distributions and those anticipated in the future.

VII. ADJOURNMENT

Ken Lopez, seconded by Lauren Hummel, moved to adjourn the Joint Review Board Meeting at 3:40 PM. The motion was approved unanimously.

Respectfully submitted,

VI. ANNUAL REVIEW OF PERFORMANCE

Reid Ottesen explained that all taxing bodies are required to meet once a year to discuss the status of the Village's TIF districts. He then indicated that he would review the projected surplus to be declared from the Dundee Road TIF and Rand/Dundee TIF and the upcoming expiration of these two TIF districts following an overview of development activity within the Village's TIF Districts over the past year.

- A. DUNDEE ROAD TIF DISTRICT
- B. RAND/DUNDEE TIF DISTRICT
- C. RAND ROAD CORRIDOR TIF DISTRICT
- D. DOWNTOWN AREA TIF DISTRICT
- E. RAND/LAKE COOK TIF DISTRICT

Mike Jacobs provided a brief overview of the development activity that occurred last year, is currently underway, and is anticipated in the coming year. The projects highlighted included the Ayrshire Townhome project at the corner of Hicks Road and Garden Avenue, the Napleton Mazda & Subaru project that will occupy the former Menards/Knupper site, the supportive housing project behind Firestone/Tore & Luke's, the commercial redevelopment project underway east of Panera/Nerizon, and the concepts that are being considered by the new owner of Park Place Center. In addition, Mr. Jacobs reviewed the RFP process underway for the Village owned properties between Towne Square Park and the railroad tracks and the associated consideration of an extension of the Downtown TIF District.

Paul Mehring distributed a summary chart that outlined the projected surplus distribution by agency.

Discussion ensued regarding dissolving the Dundee Road TIF District upon its upcoming expiration and related issues regarding fund balances, surplus distribution, porting of funds, and the establishment of a property tax appeal fund to address any issues that should arise in the future with properties that were located within the TIF District.

Representatives of the Palatine Public Library District noted their efforts regarding the Library's upcoming property tax referendum to increase funding and their preference regarding the distribution of the remaining funds within the Dundee Road TIF District. They also indicated a desire to reduce their referendum request and have an immediate distribution of all surplus dollars.

Mr. Ottesen indicated that he would revisit the distribution of surplus funds with the Village Council after the audit was completed this summer. It was noted that the Library could abate a portion of their tax levy if the referendum passes using the surplus distribution.

Mr. Ottesen also indicated that the Village was beginning the process of considering the future of the Downtown TIF District as it is due to expire at the end of 2022. There remains many infrastructure projects to complete and the assessment declines of 2009, and following years, have impacted the Village's ability to complete these projects. He noted more discussion regarding this issue would occur at the next Joint Review Board meeting.

VII. ADJOURNMENT

Melissa Gardner, seconded by Mike Adamczyk, moved to adjourn the Joint Review Board Meeting at 4:19 PM. The motion was approved unanimously.
