## Annual Winter Curbside Brush

The Public Works Department will conduct its annual winter curbside brush collection starting this Monday, February 3, 2025. Please have all loose brush set out at the curb by 7:00 AM on that day. Crews will make only one pass down each street. If brush amounts are excessive, it may take all week to finish the collection. Please follow these guidelines when preparing your branches:

- Brush must be 8 inches or less in diameter to accommodate the chipper.
- Firewood, tree stumps and root balls will not be accepted because of the potential to damage the chipper.
- Branches should be as long as possible with cut ends facing the street, without impeding traffic.
- Clean Christmas trees (without lights or decorations) will be accepted.

For more information, visit our [website](#) or call Public Works at (847) 705-5200.

## Palatine Firefighters Practice Ice Rescues

Palatine firefighters took advantage of the mild temperatures this past week to practice their Ice Rescue skills. All members are trained annually on how to rescue someone that falls through the ice.

Remember that ice is never 100% safe. Use caution and make sure the ice is thick enough to hold your weight before going on it. Never go alone, and make sure an adult with a cell phone is nearby in case of an emergency.

If you see someone fall through the ice the most important thing you can do is call 911 immediately.
