CDBG Community Needs Survey 2025

The Village of Palatine is conducting a survey to gather feedback regarding local housing and community development needs. Your input will shape how Palatine allocates Community Development Block Grant (CDBG) funding over the next five years. CDBG federal dollars are allocated to local governments by the U.S. Department of Housing and Urban Development (HUD) to assist housing and community development projects that benefit low and moderate-income residents

Take the Survey

The survey asks 11 questions and should take about 10 minutes to complete. Your responses can be completely anonymous. **The survey will be open through March 31, 2025.**

The survey can be made available in other languages and formats upon request. If you need assistance completing the survey, please call Lyn Bremanis 847-359-9046 or email lbremanis@palatine.il.us.
