Buckle Up Memorial Day and Everyday

The Palatine Police Department is reminding drivers to buckle up as part of the national "Click It or Ticket" campaign. This high-visibility seat belt enforcement initiative runs from May 16 to May 27, coinciding with the Memorial Day holiday.

"Seat belt use should be an automatic habit for everyone," said Commander Christopher Stearns. "It's not just safe; it's the law. During this campaign, law enforcement agencies will be working together to ensure the message reaches all drivers and passengers. Buckling up is the simplest way to reduce injury or save a life in a crash."

A key focus of the "Click It or Ticket" campaign is nighttime enforcement, as Illinois crash data indicates higher rates of unrestrained fatalities at night. Notably, in 2023, 72% of

male passenger vehicle occupants killed in crashes were unrestrained, compared to 28% of female passenger vehicle occupants.

The “Click It or Ticket” campaign is funded with federal highway safety funds administered by the Illinois Department of Transportation. For more information on safe driving practices, visit ItsNotaGame.Illinois.com.
