Fireman Line of Duty Death Memorial October 1

On Wednesday, October 1st, upon the Honor Guard arrival at approximately 9:00 AM, the Palatine Fire Department will host a line of duty death memorial for Palatine Firefighters Wesley Comfort, Jr. and Leonard Nebel. On this date in 1946, Firefighters Comfort and Nebel were struck by a train at Brockway St. as they responded from the Slade Street Fire Station for the report of a house fire.

Please join us at the Palatine Firefighters Memorial as we remember the lives of these men and all others who have died in the line of service.

IDPH Reminds Illinois Residents to Take Precautions Against Tick Bites

The Illinois Department of Public Health (IDPH) is reminding Illinoisans to take appropriate precautions against tick bites. "With warm weather still prevalent, tick-borne diseases remain a potential threat here in Illinois," said IDPH Director Dr. Sameer Vohra. "It's important for everyone to

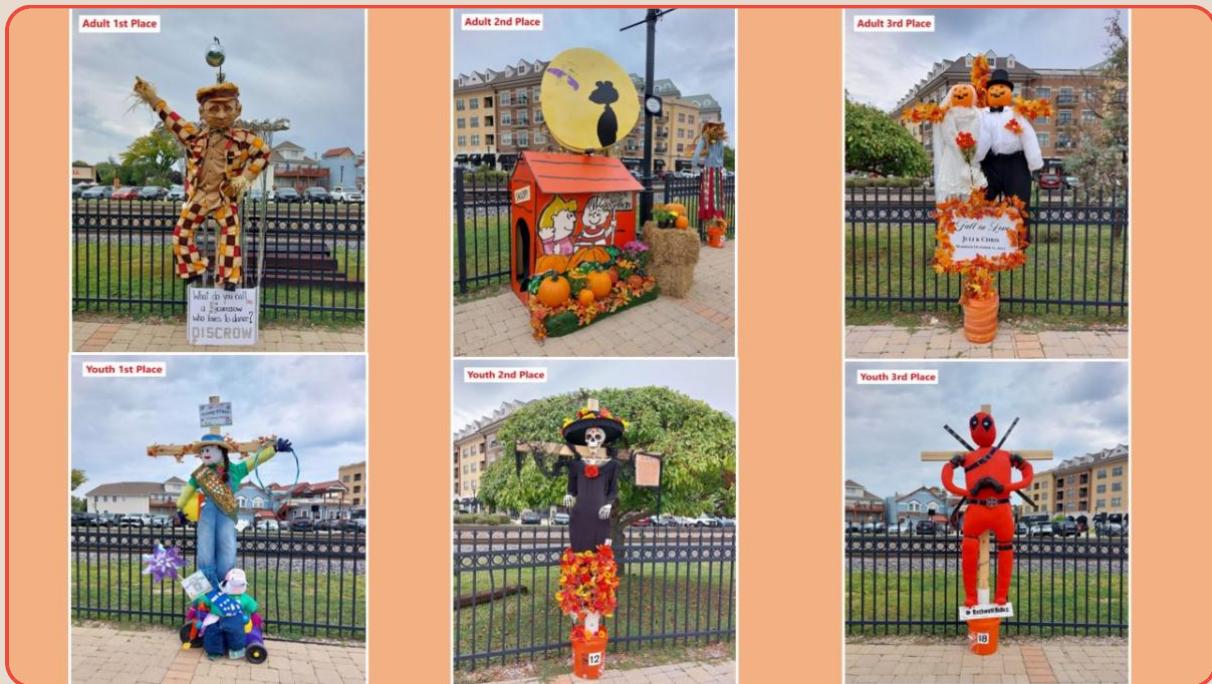

guard against tick bites and the serious illnesses they can cause. We urge everyone to 'Fight the Bite' by reducing opportunities for exposures and repelling tick bites by wearing preventive clothing. If you have been in a wooded or grassy area where ticks are common and you begin to show symptoms like fever, fatigue, or headache, see a health care provider immediately."

Director Vohra stresses that people can also "Fight the Bite" by diligently checking themselves, their pets and children for ticks after spending time in areas where ticks live, such as in and near wooded areas, tall grass and brush. Removing ticks within a 24-hour period reduces the risk of potential disease transmission.

Visit the rail walk at Brockway and Slade Streets to check out the scarecrows in person! Scarecrows will be on display until mid-October.

Palatine Fire Department Open House October 4

Have you ever wondered what a fire engine looks

like up close, how to use a firehose, or what a fire station looks like? Now is your chance! Mark your calendar for the annual Palatine Fire Department Open House on Saturday, October 4, 2025, from 10:30 am to 1:00 pm at Fire Station 84 located at 220 W. Illinois Ave.

Families are invited to watch demonstrations from the Fire Department, spray a firehose, see fire equipment up close, take pictures next to a fire engine, and watch how sprinklers can reduce the loss of property and life in a fire. The Annual Fire Department Open House is an event the entire community can enjoy while learning valuable fire safety tips. The Palatine Fire Department looks forward to seeing you there!
