Change Your Clocks
Time to Fall Back

Change Clocks
Check Batteries

Remember to set your clocks back one hour when you go to bed on Saturday. Sunday, November 2, at 2:00 a.m., marks the end of Daylight Saving Time.

When you roll back your clock 1 hour this Sunday you should also change the batteries in all your smoke and carbon monoxide detectors. Everyone is encouraged to practice this life-saving habit of changing and testing their batteries.

Curbside Leaf Collection Program

The Public Works Department began its annual Curbside Leaf Collection Program this week. Each single-family residence has two pickups remaining between the week of Monday, November 3, and the week of Monday, November 17. Look up your scheduled collection weeks using our **Community Portal** or through our **interactive map**.

All raked leaves must be placed into the street and ready for pickup no later than 7:00 a.m. on scheduled Mondays, but no earlier than 4:00 p.m. on the day prior to collection.

For collection guidelines and more information, visit our **website** or call Public Works at (847) 705-5200.

Paws on the Ground Leashes All Around!

The Village of Palatine reminds residents that all pets must be on a leash when off your property, as required by Village Code Chapter 5, Section 5-6. This rule helps keep everyone — including your furry friends — safe!

Please remember to clean up after your pets and be courteous to neighbors while out for a walk. Let's all do our part to keep Palatine a safe and welcoming community for people and pets alike.

Winter Farmers' Markets Returns November 1

The Palatine Winter Farmers' Market returns to the train station parking lot this Saturday, November 1, 2025. The Winter Market is open on the 1st and 3rd Saturday of every month between November and April, from 9 a.m. to 12 p.m. Visit [**here**](#) for more details.
