# Curbside Leaf Collection Program

The Public Works Department continues its Curbside Leaf Collection Program. Look up your remaining collection weeks using our Community Portal or through our interactive map.

- Raked leaves must be put into the street and ready for pickup no later than 7 a.m. on scheduled Mondays, but no earlier than 4 p.m. on the day prior to collection.
- Crews will start the pickups on Mondays and continue throughout the week until all the leaves have been collected in the scheduled zones.
- Only one pass will be made down each street during each collection week.
- Pickup on a certain day cannot be guaranteed. Collections are anticipated to finish by Thursdays each week, but may finish sooner depending on the volume of leaves.

For collection guidelines and more information, visit our **website** or call Public Works at (847) 705-5200.
