NOROVIRUS

Norovirus is a very contagious virus that causes vomiting and diarrhea and cases are on the rise. There are many steps you can take to decrease your chances of infection, with the most important prevention measure being to wash your hands frequently with soap and water.

People of all ages can get infected and sick with norovirus. It is sometimes called the "stomach flu" or the "stomach bug." However, norovirus illness is not related to the flu. The flu is caused by the influenza virus.

How Norovirus Spreads

- You can get norovirus from sick people and through contaminated food, water, or surfaces.
- Most people with norovirus illness get better within 1 to 3 days; but they can still spread the virus for a few days after.
- You are most contagious when you have symptoms of norovirus illness or during the few days after you feel better.

Signs and Symptoms

- A person usually develops symptoms 12 to 48 hours after being exposed to norovirus.
- Most common symptoms: Diarrhea, vomiting, nausea, and stomach pain. Other symptoms: Fever, headache and body aches.
- Norovirus illness can lead to dehydration due to the loss of bodily fluids. Watch for dehydration and drink plenty of liquids.

How To Prevent Norovirus

- Wash hands well with soap and water; hand sanitizer alone does not work well against norovirus.
- Do not prepare, handle food, or care for others when you are sick.

Palatine Police Host Shop with a Cop 2025

This past Saturday, December 13, the Palatine Police Department proudly hosted their 2025 Shop with a Cop event—and it was another incredible success!

Thanks to the generosity and support of the officers, Police Department social workers Kimberly Quintanilla and Danielle Di Cristofano, and community partners, they were able to make the holiday season extra special for local children and their families.

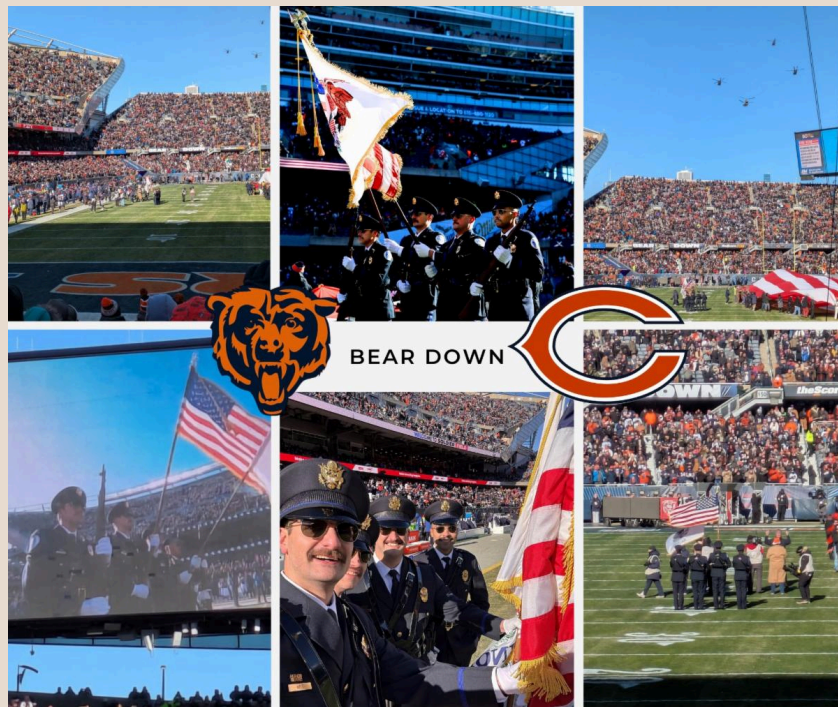

The police would like to extend a heartfelt thank you to the Rotary Club of Palatine for funding the event. Their generosity made this experience possible and helped create lasting memories for the families the police serve.

They are also grateful to the amazing partners who helped bring the day together:

- Target Store (Palatine) – for hosting and creating a welcoming space for the families.
- Palatine Citizen's Police Academy for their incredible support of our department and community.
- Harvest Bible Chapel volunteers for donating their time and talent to wrap gifts and spread holiday cheer.

Together, meaningful connections and unforgettable memories were made. Thank you to everyone who supported and participated in this special event. They couldn't do it without you! 💙
