Winter Brush Collection Begins February 2

The Public Works Department will begin its annual winter curbside brush collection this Monday, February 2, 2026. Loose brush must be set out at the curb by 7:00 AM on that day. Please follow these guidelines when preparing your branches:

- Brush must be 8 inches or less in diameter to accommodate the chipper.
- Firewood, tree stumps, and root balls will not be accepted because of the potential to damage the chipper.
- Branches should be as long as possible with cut ends facing the street, without impeding traffic or blocking the sidewalk.
- Clean Christmas trees (without lights or decorations) will be accepted.

Crews will make only one pass down each street. If brush amounts are excessive, it may take all week to finish the collection.
