Mike Jacobs explained that all taxing bodies are required to get together once a year to discuss the status of the TIF districts. He then indicated that he would review the projected surplus to be declared from the Dundee Road TIF and Rand/Dundee TIF and then provide an overview of development activity within the Village's TIF Districts over the past year.

Mike Jacobs distributed a summary chart that outlined the projected surplus distribution by agency for 2017. He noted that future year projections will be reconsidered each year as part of the Village's annual budget review and approval process. He also briefly discussed the anticipated timing for the expiration of the Dundee Road and Rand/Dundee TIF Districts and indicated the Village would schedule a specific meeting

- A. DUNDEE ROAD TIF DISTRICT
- B. RAND/DUNDEE TIF DISTRICT
- C. RAND ROAD CORRIDOR TIF DISTRICT
- D. DOWNTOWN AREA TIF DISTRICT
- E. RAND/LAKE COOK TIF DISTRICT

Mike Jacobs provided a brief overview of the development activity that occurred last year, is currently underway, and is anticipated in the coming year. He also noted that the Village had met with Cook County in 2015 to review the EAV values and their corresponding impacts on the TIF Districts. The County offered some suggestions that could be made to reduce the impact of those properties where the EAV is dropping. These adjustments should have a positive impact on the cash flow within the TIF Districts in the coming years.
