
Vehicle Sticker Enforcement Letters

05/05/2022

The Village of Palatine started its special Vehicle Sticker Enforcement efforts. You may have received a letter in the mail reminding you to purchase a Village Vehicle Sticker. We are aware that some vehicle sticker compliance letters were sent in error to Palatine households and apologize.

If you feel you have received a notice in error and to help facilitate some of your questions here are some FAQ's we'd like to share with you:

- **Q:** Do I need a vehicle sticker for a trailer?
A: No. If you received a letter for a trailer, please fill out the [affidavit online here](#).
- **Q:** Do I need a vehicle sticker for my car that has an antique license plate?
A: No, as long as it's registered as a specialty antique with the State of Illinois. (See the visual example below). Please fill out the [affidavit online here](#).
- **Q:** When entering my license plate number on the Village application to purchase my sticker do I include dashes?
A: Yes, but do not include any spaces.
- **Q:** For specialty plates such as Truck B or a Cubs CC license plate do I include the "B" or "CC"?
A: No, do not include the letter "B" or "CC".

If you believe that you purchased a vehicle sticker for the 2021/2022 season and received a letter in error, please call the vehicle sticker hotline at **847-359-9079** or email vs@palatine.il.us. If emailing, please provide the following:

- Full Name
- Address
- License Plate Number(s)
- Picture or scanned copy of the Village's compliance letter(s) that you just received.

Everyone that contacts the Village **will** receive either a return phone call or email regarding the status or outcome of their situation.

As a reminder, any registered vehicle to the Village of Palatine must purchase a vehicle sticker each year. Please view the [vehicle sticker website here](#).

**Antique Plates
(Village Sticker Not Required)**

Antique plates do not require a sticker, but must be registered as specialty antique with the State of Illinois.
