Dear Village of Palatine:

I am not renting the above property and I wish to close the rental file.

I hereby terminate my application for a Rental Dwelling License for the above rental property in Palatine, Illinois, and authorize the Village of Palatine to close my rental file.

I understand that if I close out my current rental file, I will need to complete a new application and satisfy each and every Rental Dwelling License requirement in the event I choose to rent, or offer this property for rent in the future.

I understand that if I close my license and it is later determined that I am in fact renting my property, I will be issued a citation which will require my presence in court.
