Fire Alarm Plan Deferral

Date _____

Address of Project _____

The Village of Palatine will accept the stamped architectural plans for the fire alarm with the understanding that should the shop drawings differ or alter the approved plans, the responsibility for any required field changes lies solely with the permit holder and owner.

If the shop drawings are not received a stop work order will be issued. Once the shop drawings are received a second plan review will be required.

If you wish to proceed, please sign below. The signatures of the applicant and owner of the property are required.
